In America, nearly one in two marriages ends in divorce. Author Kristin Harper, a former Cincinnati resident, knows firsthand—she was married, separated, and divorced within two short years. However, she has also witnessed a miracle after getting remarried...to the same man.

Through an intimate and transparent reflection on her life, Kristin Harper shares the joys of love, the pain of divorce, mistakes made, wisdom gained, and the lessons she learned on the journey toward love’s resurrection. In her first book, **Love’s Resurrection**, she explores virtually every aspect of being in a healthy—and unhealthy—relationship.

From confronting personal shortcomings and “cheating” on God to learning how to love unconditionally and forgive, Kristin provides readers insights and reflection that are sure to strengthen, inspire and encourage. “Kristin has written a must-read for all those who are feeling trapped in a failed relationship. She has shown us how to make the necessary choices in order to free ourselves.” said Rev. Damon Lynch Jr., Pastor, New Jerusalem Baptist Church (Cincinnati, Ohio).
